

Wanting her isn't smart, seducing her is inevitable, but falling in love with her could be downright deadly for both of them. A Little Harmless Fascination Harmless Book 7 Security expert Conner Dillon isn't a man who often takes a vacation. So when he is ordered to take a month off, and his sister insists on a trip to Hawaii, he isn't very happy. But, after seeing his landlady Jillian Sawyer again, he might just find something or someone to occupy his time. For years, Jillian has always had a crush on Conner. Now an erotic romance author with a thing for Doms, she finds herself beyond intrigued by the man. He is good to the core, but there is something else darker in him that calls to her. After one night in bed, they both find themselves addicted. In Jillian, Conner has found the perfect sub and in him she finds someone she can trust. Falling in love isn't what they expected, but walking away is impossible especially when they realize someone wants Jillian dead. **WARNING** this book contains the following: An uptight security expert who prefers schedules, a romance writer who does not, tattoos, a trip to the Aloha Swap Meet, two hunky neighbors who irritate our hero, and of course this would not be a Harmless book without a trip to Rough n Ready. Ice is recommended as any Harmless Addict will tell you, but the author takes no responsibility if a reader should become overheated. Read at your own risk. **BONUS MATERIAL:** Includes the entire first chapter of Melissa's upcoming historical vampire release *By Blood: Desire*. **ALSO: EXCERPTS** from LEXI BLAKE and KRIS COOK.
