

Beth grew up in an abusive home with an alcoholic dad. After looking for comfort in the wrong place, she becomes pregnant at the age of sixteen, and her life is changed forever. As she struggles to push past the pain of her childhood, she doubts she'll ever trust any man again. She wants to believe God can take the darkness of her past and create a life of beauty, but wonders if she's destined to be alone in life. Then she meets Alex and becomes the recipient of his unconditional love. With his help she begins to overcome her issues of trust and unresolved grief. But will his love and her faith be strong enough when she receives a letter that takes her back to the darkness of the year she turned sixteen? It was the year she placed her baby girl in the arms of adoptive parents. Now her daughter is back and needs her biological mother to give her life a second time. But for that to happen Beth will need a miracle.
