

Kerri Ellen lives each day with the haunting memory of the day her sister Kimmi disappeared on her way to work. Every night, she lights a candle in the hopes that her lost sister will somehow, miraculously, find her way home. When fellow college student Burkes little sister goes missing, Kerri teams up with her sorority sisters to help comb the area to try to find her. As she makes her way through the woods and eventually back to Burkes house, all she can hope for is an outcome thats better than the one shes anticipating for her own sibling. When the investigation takes an odd turn, Kerri soon realizes there are some mysteries in life where finding the solution doesnt necessarily mean closure.
