

A Deadly Virus When a rival agent kills the only man who could cure an unstoppable virus, Aidan gives up a blood vendetta to follow, interrogate and kill the spy. He walks away from the fight that would have finally given him access to the man who destroyed his familyâ€™ just to find her. **Mistaken Identity** Sophie just wanted to spend a few weeks relaxing at an upscale hotel. Instead her room is invaded by a fighter who was trained by Delta Force to kill without mercy. He insists that sheâ€™s someone she isnâ€™tâ€™ and that innocent people will die if she keeps up her charade. Sheâ€™s not who he thinksâ€™ but she does have a secret sheâ€™ll die to protect. **Blacklisted** Ordered to bring Sophie back to his boss, Aidan is forced to take his prisoner from Dubai to London while the virus grows closer to being perfected and released, igniting a global catastrophe. He just never expected to fall for such a delicate woman. Even though Aidan knows he canâ€™t keep her safe in his world, he doesnâ€™t know if he can let her go eitherâ€™ even if keeping her means going rogue.
