

The practical followup to the acclaimed bestseller In 2001, the groundbreaking book *Quarterlife Crisis*® addressed the unique and unsettling trials of entering modern adulthood. For the first time, it identified how twentysomethings were lost and confused, and lamented the absence of a guide—a roadmap with solutions for how to emerge from the crisis successful, happy, and sane. Now, the author of *Quarterlife Crisis*® delivers that roadmap. Alexandra Robbins goes beyond defining the problem of the quarterlife crisis and puts readers on the path to conquering it. She asks—and answers—the tough, soul-searching questions that keep young adults awake at night:— How do I weigh doing what I love versus making money?— Will I ever find my soul mate?— Why is it so hard to make friends?— Why are my twenties so different from what I expected? With new voices as well as follow-up interviews with some of the original *Quarterlife Crisis*® twentysomethings, *Conquering Your Quarterlife Crisis*® is the new go-to guide for people who want it all...but just aren't sure what that is yet.
