

Para mi, la comida del alma es buena si se prepara de la manera adecuada. Y para otros, tener una comida alimento para el alma podria llevar consuelo mientras revisan el pasado en sus recuerdos. Al igual que los macarrones con queso de mama, pollo frito de la abuela y la tia de berza. Esos alimentos traerlo todo de nuevo y para algunas personas, es una buena sensacion si se hace de una manera positiva y sobre todo si estas haciendo la cocina. Muchos de los buenos cocineros de comida alma del sur no paso por sus recetas secretas para la proxima generacion. Si no pasar el rato en la cocina, es posible que haya perdido en algunas cosas im-portante. Pero no todo esta perdido. Escribi este pequeno libro de cocina para los amantes de la comida del alma y quiere cocinar. Segui este libro muy sencillo y no puse un monton de recetas complicadas aqui. La mayoria de las recetas de este libro son de mi Sumtin Bout Dat Soulfood Cook-libro, pero anade mas recetas como chinchulines, pies de cerdo, guisantes de ojo negro y algunos otros platos. Queria centrarme en ciertos alimentos que alguien podria ver en una mesa real sur afroamericana de de vez en cuando.
