

This document, prepared by the staff of the Joint Committee on Taxation, provides a description and analysis of the revenue provisions modifying the Internal Revenue Code of 1986 (the Code) that are contained in the Presidents fiscal year 2007 budget proposal, as submitted to the Congress on February 6, 2006. The document generally follows the order of the proposals as included in the Department of the Treasurys explanation of the Presidents budget proposal. For each provision, there is a description of present law and the proposal (including effective date), a reference to relevant prior budget proposals or recent legislative action, and an analysis of policy issues related to the proposal.
