

“Value the people who sacrifice their something for you ... because maybe that something was their everything.” - Unknown The brief was simple “infiltrate our rival’s crew and steal the info we needed. Easy, right? I thought so, too, until I met Ryan. A woman with the ability to change my view on everything: who I was, who I am now, and what I want to be remembered for when the reaper comes to collect. I’m a killer, a scapegoat for hire” the man who’ll take the fall for your immoral operation if you offer me the right price. I’ve made enemies along the way, and I’m forever watching my back. In a world as corrupt as mine, love and relationships remain an unobtainable target. So I act the fool, parade as the playboy, but all I really want is to belong to somebody. She made me think it could be her, that a woman so haunted by her past might actually need a man like me” somebody who can kill with his bare hands, a man who would sacrifice it all to see those he loved kept safe. That was, until she turned the table and risked it all to help me. When best-laid plans fall apart, and we’re both put to the test, will love or loyalty prevail?
