

The Empire is in chaos. The onceâ€“great Imperial Navy has been shattered in battle and lies burning in space, riven by a civil war that threatens to engulf humanityâ€™s future. For the revered Eternal Emperor is not the man his subjects thought him to be. And it is Sten â€” Imperial bodyguard, spy, assassin, renegade â€” who now leads humanityâ€™s fight for survival. Taking command of the last rebel fleet, he sets out on a desperate quest to seek and destroy the dark source of his former masterâ€™s power. Denounced as a traitor, hunted by forces loyal to the Emperor, Sten must risk everything to annihilate the Empire he vowed to protect.
