

Part of the TotalRecall: IT Insight Certification Series, this new book fills the gap existing in the complete study aid material available for candidates preparing to set the CompTIA A+ Core Operating System Exam. This book covers information associated with each exam topic in detail and includes information found in no other book. This manual is designed to provide information to help readers study for and pass CompTIA's A+ Core Operating System Technology Certification Exam. Every effort has been made to make this manual as complete and accurate as possible. Just reviewing the table of contents, you will see that through TotalRecall Publications, I was given the freedom to build on what I have learned from running a Voc Tech school. For example, the chapter numbers are written in Base 2. This wasn't done to annoy you. The goal is through reinforcement, learn binary math, since that is how much of computing works. In this release, I teamed up with another alpha geek, and all around I want all the data person, Tcat Houser. The end result is you will not find another A+ Operating System Technology book with more geekie details, if you need them. While we have kept the tone as light as possible, a great deal of serious research has been done to demystify obscure details within this publication. If you are already in networking, and don't want/need a certification/reference/killer idea book, try the ExamWise to A+ Operating System ISBN # 1-59095-262-6 from TotalRecall Publications. If you are in the game for in-depth understanding, this is this book for you. Helen and Tcat encourage questions from and support the readers of this work. To us, it is another form of Networking, and we look forward to hearing from you. tcat@tcat.net or hoboye@mindspring.com

Calvin & Hobbes book set of 7: Attack of the Deranged Mutant Killer Monster Snow Goons; Calvin and Hobbes; The Revenge of the Baby-Sat; Scientific Progress Goes Boink; Something Under the Bed is Drooling; Weirdos From Another Planet!; Yukon Ho!, Twospot: The Nameless Detective, Romance: Heroes Of Shifter Creek Complete Series (Paranormal Alpha Male BBW Romance) (Bear Lion Tiger Wolf Romance), Annihilation Conquest Prologue #1, Art of the Chopper, Quo Vadis: A Tale of the Time of Nero [1897], Fatal Secrets (Mills & Boon Love Inspired) (Protecting the Witnesses, Book 5),
