

Their Most Dangerous Mission Yet Captain Victor Cojo and the loyal Mantipor soldier, Monster, have been sentenced to life imprisonment in the galaxy's most notorious high-security penitentiary. It's a hell hole filled with terrorists, murderers, and Sapienists, and now they've got Vic and Monster at their mercy. Lt. Frank Kelly and Sgt. Bob Buehl have been ordered by the Unification government to forget their former teammates and be good little soldiers, but the Grendels leave no man, or Mantipor, behind. It's up to the last remaining members of Unification's deadliest covert operative group to rescue their former comrades. It's time for Grendel Unit to FIGHT THE POWER.
