For four years, play-by-the-rules bank teller Turner Hastings has brooded over her uncles wrongful imprisonment. But when two bumbling crooks stumble into her branch (barely disguised in Yoda and Sponge Bob masks) and hold up the place, she sees a chance to do something shes never thought possible: get revenge. She takes advantage of the melee to pull a heist of her own, seizing info from a security box that will exonerate her uncle. Sent to investigate a bank robbery in small town Wisconsin, Special Agent John MacKinnon discovers the robbers were two not-quite-so-bright thugs and one woman. Now, Turner is on the run. With SA MacKinnon on her trail, shes breaking into the bank president Calvins house, kidnapping his Great Dane, and for the first time in her life, setting out to break a few rules. But when Calvin hires a hit-man, MacKinnon will have to decide between his career--and saving Turner.
