

In the Beginning... What is the most absurd myth of our culture? Are we really the result of a series of cosmic accidents? Can we explain the origin of design information in our DNA? Darwinists cannot explain; they can only assert. Darwinists cannot account for the origin of life because they cannot account for the origin of information. In this Briefing Pack, Dr. Stephen Meyer joins Chuck Missler in reviewing some of the revealing insights from the microbiology and the information sciences on the evidences of design in the origin of life and their implications for our destiny.
