

The third edition of The Insiders Guide to Medical Schools is a must-read for anyone thinking about studying medicine. Every medical school in Britain is profiled from course details and student life to information on the town and how much you can expect to pay for a pint. The third edition includes information about the new courses starting in 2000 at Durham, Keele, St Georges, and Warwick. Above all it provides clear and unbiased information on the strengths and weaknesses of each school giving you the chance to make best use of your UCAS choices. The Insiders Guide also helps to answer some of the more general questions you might have: How important is work experience? What is a selection interview like? Can I afford to be a student for 5 or 6 years? What happens after graduation? Written by students for students, the user-friendly format makes it easy to compare and contrast the schools, and helps you make informed decisions about whether and where to study medicine.
