

Following in his fathers footsteps, Dominic Church starts his rookie year as a Baltimore City cop. But with a name that follows him wherever he goes and a mentor shaping him to be better than his late father, Church is quickly recruited for the undercover assignment of a lifetime. Along with his rookie partners Morris and Walker, Dom infiltrates the world of exotic dancing at the hottest night spot in the city, The 7. After getting wrapped up with one of the dancers, Dom gets more than he bargained for when a simple sting operation has him going after the King of the city. Lexi is a 14k word part of a three part series.
