

W**kers! Cheese! Eeezamanna! Pete Bennett, the 24-year-old Tourettes sufferer who shot to fame as winner of Big Brother 7, stole the nations heart with his outrageous, loveable nature. Petes incredible autobiography reveals what the tabloids didnt see. His story will make you cry, have you in stitches, and inspire you with its amazing honesty. Suffering with Tourettes Syndrome since the age of five, Pete was only properly diagnosed at 14. Here he talks openly about his agony growing up with Tourettes, and how he used humour and his musical ability to cope with his frightening attacks. Pete reveals his true feelings about his dad abandoning him when he was six, and his close relationship with his mother, Anne. Pete shares intimate details about his escape into wild sex parties, the horrific death of his best friend, and his thoughts of suicide until Big Brother saved his life. From the moment Pete decided to enter Big Brother so his mum wouldnt have to work in a fast food chain, he had the entire nation glued to their TV screens. But beneath his quirky and hilarious antics, it was Petes refreshing innocence and lack of fame-seeking that made him the most popular (and fancied) housemate Big Brother has ever seen. Heart-rending and moving, hilarious and outrageous, Petes story is an unique insight into a truly inspiring individual.

Physiology and Pharmacology of Vascular Neuroeffector Systems: International Symposium, Interlaken, July 1969, How to Do it (Bibliobazaar Reproduction Series), La interpretacion de los suenos, 1, The Minister: Following him will lead straight to the pleasures of Hell, The Dark Rival (Star Wars: Jedi Apprentice, Book 2), Pathfinder Flip-Mat: Museum,
