

Success seems to come easily for some people. They live in luxurious homes, send their children to the best schools, drive fancy cars, travel around the world, and still have resources available to help their loved ones and contribute to the communities in which they live. They are no brighter or better educated than you. They do not work any harder than you do. They do not sacrifice their lives to earn a living; on the contrary, they earn more than enough to fully enjoy their lives. What is their secret? Welcome to Practical Steps to Think and Grow Rich - The Secret Revealed by Napoleon Hill. The principles and secrets for success are listed in the beginning of each chapter, making the information clear, inviting, and accessible - an approach that reveals the secret to thinking and growing rich without making you search for it.
