

Praise for River of the West: A visionary and revisionist history of the Columbia River. ... A unique historical experience—gorgeously written.—Gretel Ehrlich, author of *A Match to the Heart* An original and vibrant account of the Columbia Rivers hold on the imagination of individuals and cultures... . Clark weaves an often mystical, sometimes tragic tapestry... . [A] valuable addition to the body of works on the Columbia River region.—Kirkus Reviews Clark not only writes vividly... but also lyrically... . Clark's fine prose enlivens his sensitive look at a particular portion of Northwest history.—The Seattle Times Clark has produced an outstanding literary tapestry... . This book's glory rests in Clark's writing, which is as fluid as the river he explores.—Library Journal Clark presents no less than a visionary chronicle of the exploration and history of the Columbia River. Full of richly textured prose ... Clark's finely etched portraits create a vivid account that devotees of history and Americana will read and savor.—Booklist

River Of The West has 26 ratings and 8 reviews. Boreal Elizabeth said: i really wanted to like this book it started poetically it's about one of my favorites.

The river then bends west, south and east through central Washington, turns the mythical Columbia began, as does the creation story in Genesis, with water. The Columbia River is one of the greatest natural resources in the western United States. The river and its tributaries touch the lives of nearly every resident of. The Columbia River is the fourth largest river in North America. Precious metals and fertile soils are part of the story. In Washington, these glaciers advanced down the western part of the Okanogan Valley about as far south as Chelan. The Columbia River runs from the southeast corner of British Columbia, flowing west until it opens up to the Pacific Ocean at Astoria, Oregon.
