It explains simple methods of reading runes and how to develop this ability in a way beyond traditional interpretations often given in divination works. In addition to reading the runes, blending their meanings together with the symbolic colours of energy centres help the reader gain a deeper understanding of the spiritual realms. The personal examples recounted add the depth of knowledge that Kay has developed over many years of professional work. This work represents an additional approach to self-enlightenment and possibly the beginning of a journey towards helping others. Nick Nicholls of Kingsbridge, Devon, England.~#~#~# A breath-taking interpretation of rune readings and their relationship to chakras. Incredibly detailed and very well written. A fascinating book.!
