

Guns and ammo cost nuyen. Mastering martial arts takes time. And learning how to use explosives without blowing yourself up takes patience and a steady hand. These weapons and more are out there, waiting for you. You have the chance to use them to become deadlier, faster, more dangerous than the next guy-and more dangerous than you were yesterday. You'll have to pay the price to get what you want, but this is the Sixth World. Don't you always? Run and Gun is a combat core rule book for Shadowrun, Fifth Edition, containing more weapons, more armor, more modifications, and more game options such as martial arts and unit tactics. Break the book open and prepare to raise your game.
