

SINGLE AND SEARCHING... Reporter Gabe Thornton is not interested in romance or the crazies who advertise for love in the paper. But a lead in a robbery case takes him straight to Casey McIntyre's door, and her Single and Searching ad, and now he must investigate her... When Casey placed that personal ad to find a date, she never dreamed she'd find true love. But she also never expected her date to write about it! Determined to get revenge, she dresses for seduction. But payback is hell, and when Gabe turns the tables and pursues her with a vengeance, Casey finds herself falling in love. Only Gabe holds her fate and her heart in his hands... When the truth is revealed, will Casey be single and searching again, or will she succumb to the passion burning between them?
