

A witch's work is never done, and in bestselling author H. P. Mallory's mesmerizing new novel, Jolie Wilkins finds that the real magic is only just beginning. For smart and sexy witch Jolie Wilkins, being Queen of the Underworld is a royal pain. Back from a round of time travel, Jolie must now protect her realm from the sinister Lurkers—a powerful breed of half-humans bent on conquering the undead. And if there's one thing she knows, it's that the supernatural never go down without a fight. At least Jolie has her soul mate (and finally official boyfriend), warlock Rand Balfour, by her side. Honorable, brave, and unbelievably handsome, Rand is everything Jolie wants in a man. So why can't she forget the dangerously alluring vampire, Sinjin Sinclair? With her private life heating up and a battle boiling over, Jolie sets out to prove that in matters of love and war, the fairer hex has its own set of charms.
