

Think of the First World War and then think of an aircraft. What springs to mind will probably be the Sopwith Camel. The single-seat Camel was one of the most successful RNAS/RFC/RAF scouts (the period term for a fighter) of the First World War. Jarrod Cotter has been given rare access to the Shuttleworth Collections Sopwith Camel replica as well as Camel new-builds in France and New Zealand. The manual includes rare and stunning colour photography of rebuilding, restoring and flying this classic WW1 fighter.
