

An illustrated guide to over five decades of youth movements – from sharp-suited mods and acid-dropping hippies to leather-clad metalheads and straight-edge hardcore punks – Street Culture pieces together a vibrant history of countercultural rebellion. While the eye-catching attire and headline-grabbing antics of these subcultures are familiar to many, few outsiders understand the rhyme and reason that hold them together. Widely acclaimed for his work on the underbelly of contemporary culture, author Gavin Baddeley details the origins, ethos and aspirations of each group, offering valuable insight into what attracts the devotees who are willing to risk harassment and ridicule in order to stay true to themselves. Street Culture takes readers inside the minds behind the elaborate hairstyles, and looks beyond the controversy and lurid pop-culture mythology that surrounds each style tribe, celebrating this phenomenon as an expression of individualism that goes far beyond mere teen rebellion and vitally impacts upon the modern world.

The screwtape letters & Screwtape proposes a toast, How to Serve God in a Marxist Land (Classic Reprint), Nardo: Memoirs of a Boxing Champion, Animation in Asia, Normal: A Novel, The Greek Treasure, So Help Me, I Will Turn This Car Around!: A Detailed Family Road Trip Plan Canada to Disneyland - travelling from Vancouver down the scenic Pacific Coast ... Me, I Will Turn This Car Around! Book 1),

Youth Cults is an insider's eye view of modern counterculture tribes. Beginning with the Beatniks and Hippies, leading up to Scene Kids and.
