

A reckless sacrifice to protect a family legacy... Sarah Kidnapped. Imprisoned. Ravished. When tragedy stole my family, my father's will mandated my future. I didn't inherit Atwood Industries. I became the only one capable of protecting it. Atwood Industries belongs only to a male heir, my heir. And my enemies—my own step-brothers—will stop at nothing to create a shared bloodline. But they've made a mistake, and they'll forever regret trying to control me. Nicholas Damned. Destroyed. Enthralled. My family's livelihood depended on acquiring the rival Atwood Industries and seizing the innocent woman bound within its terms of succession. I never expected such a challenge from my step-sister. I never thought I'd betray my own blood to protect her from the nightmare we began. But if I don't stop her, the woman I'm forbidden to love will sacrifice herself to tear apart my billion dollar empire...
