

The only truly personal biography of one of the greatest artists of our time. Eighty interviews with illustrious artists, designers, and others, each of whom was influenced by Andy Warhol. The Thank You Andy Warhol project began one morning in January, 2011, when author Catherine Johnson realised she was in the middle of the economic depression that was crippling her creative community and felt herself frozen. She wondered, What would Andy do? and realised he would adapt the way he had time and again during his lifetime. His work and ethos had always inspired her and she was sure it had had the same effect on others, and decided to pose the question of what influence his life and work had had to more than 80 of his friends, friends of friends, and those who had been touched by his life and work. Just some of the luminaries interviewed here include, Frances Grill, Ivan Karp, Billy Name, Brigid Berlin, Danny Fields, Ken Heyman, Bibbe Hansen, George Lois, Gretchen Berg, Vincent Freemont, Bob Colacello, Sylvia Miles, Christopher Makos, Liza Minnelli, Patrick McDonald, Kenny Scharf, Vik Muniz, Simon Doonan, Ryan McGinness, Eric Shiner, and Jamie Warhola. What started as a single inquiry has resulted in the only truly personal biography of one of the greatest artists of our time.
