

Why shouldn't religion be created by each of us, for himself or herself? Instead, we are asked to believe in this or that god, fabricated by a stranger, for his or her own amusement and salvation, and there is nothing of our own in it. Make your own god, and, having done so, bring him or her to life. Your god isn't a golden calf, but a living part of you, he or she is a god made of your feelings, morals, and metaphysical yearnings. Your god has chosen you, just you and nobody else. Any god who chooses to rule more than one man or woman is a potential tyrant. Let your god contend in peace with everyone else's and neither he nor she or you will be able to oppress and be oppressed. To create god and religion is the ultimate freedom offered by Zeno's method.
