

#1 New York Times bestseller Nicholas Sparks turns his unrivaled talents to a new tale about love found and lost, and the choices we hope we'll never have to make. Travis Parker has everything a man could want: a good job, loyal friends, even a waterfront home in small-town North Carolina. In full pursuit of the good life - boating, swimming, and regular barbecues with his good-natured buddies -- he holds the vague conviction that a serious relationship with a woman would only cramp his style. That is, until Gabby Holland moves in next door. Spanning the eventful years of young love, marriage and family, *THE CHOICE* ultimately confronts us with the most heartwrenching question of all: how far would you go to keep the hope of love alive?
