

Practicing the Presence of God is not a book by Brother Lawrence in the usual sense. Rather, it is a compilation by Joseph de Beaufort, one of Lawrence's contemporaries. In the first volume Beaufort recalls four conversations he had with Brother Lawrence. The second volume, contains parts of fifteen letters written by Lawrence, each which Beaufort introduces with notes on its context. Beaufort's first person narration throughout can be confusing to new readers, but this minor awkwardness has not prevented the book from joining the ranks of the most celebrated Christian classics, nor its timeless message from transforming hearts. Themes you will find include the devotion to unceasing prayer, the fusion of the ordinary and the spiritual, the simplicity of walking with God, and the necessity of trusting God to enjoy peace with Him and in all our circumstances. This book has benefitted over ten generations of ordinary and outstanding people from every path. It is easy to understand, simple to apply and a source of joy and hope. May God bless your reading.

Genetic Disorders Sourcebook: Basic Consumer Health Information About Hereditary Diseases And Disorders (Health Reference Series), The Silicon Eye: How a Silicon Valley Company Aims to Make All Current Computers, Cameras, and Cell Phones Obsolete (Enterprise), Oregon Wildlife Viewing Guide (Wildlife Viewing Guides Series), Mail Order Bride: Marrying Into a Troubled Family, Well-Known Troublemaker: A Life of Charlotte Charke, Army of Darkness: Ash Gets Hitched #2 (of 4): Digital Exclusive Edition,

That is the early life of Nicholas Herman before he became Brother Lawrence. He was well read and, from an early age, drawn to a spiritual life of faith and love for God. Brother Lawrence related that we should establish ourselves in a sense of God's Presence by continually.
