

Can destiny defy gravity? Returning to 2002, Nicole knows for certain that her past was meant to be her future. Loving Jax was her natural course of life. So now, letting go of the brooding professor he's become is not an option; he's endured too much. She can't walk away. When love like theirs defies time and space, it's worth fighting for. But convincing him to let go of the demons of his past might be harder than battling gravity itself. Can Nicole hold on to what she's traveled through time to find or is she clinging to the pull on her heart like grasping air?
